Transforming Ordinary Spaces  
Into Extraordinary Experiences

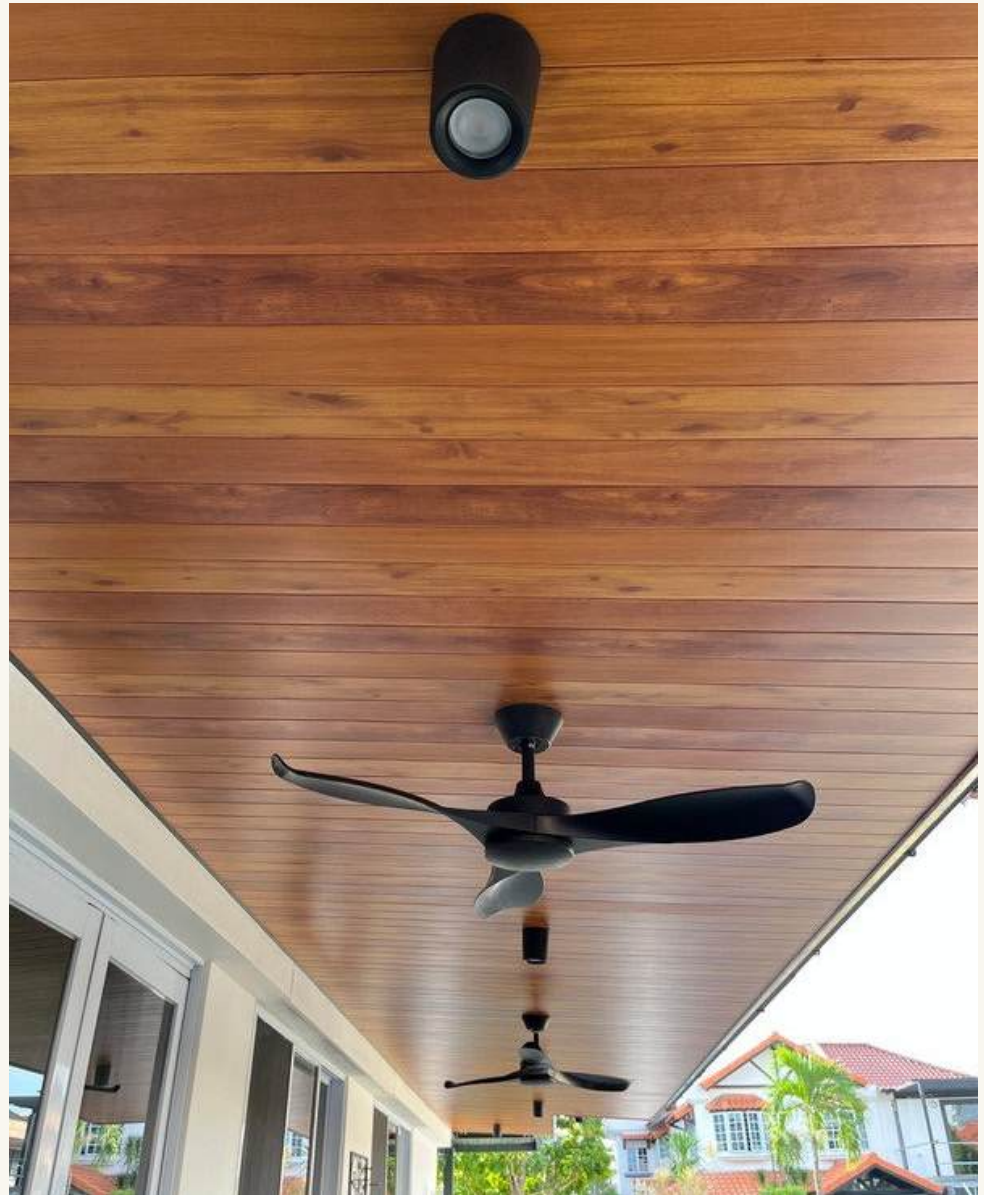

---

With over 30 years of experience in manufacturing aluminium ceilings and related products, we have established ourselves as a trusted leader in the industry.

At our company, we take great pride in our work, and we are dedicated to providing exceptional quality services and products to our clients. Our commitment to excellence is evident in everything we do, and we strive to exceed our customers' expectations every step of the way. With our expertise and passion for our work, you can trust us to deliver the highest quality aluminium products for your projects.

Today, our solutions can be found in homes, offices, retail spaces, showrooms, and large-scale developments across the region. And with every project, we bring the same commitment — to **transform ordinary spaces into extraordinary experiences.**

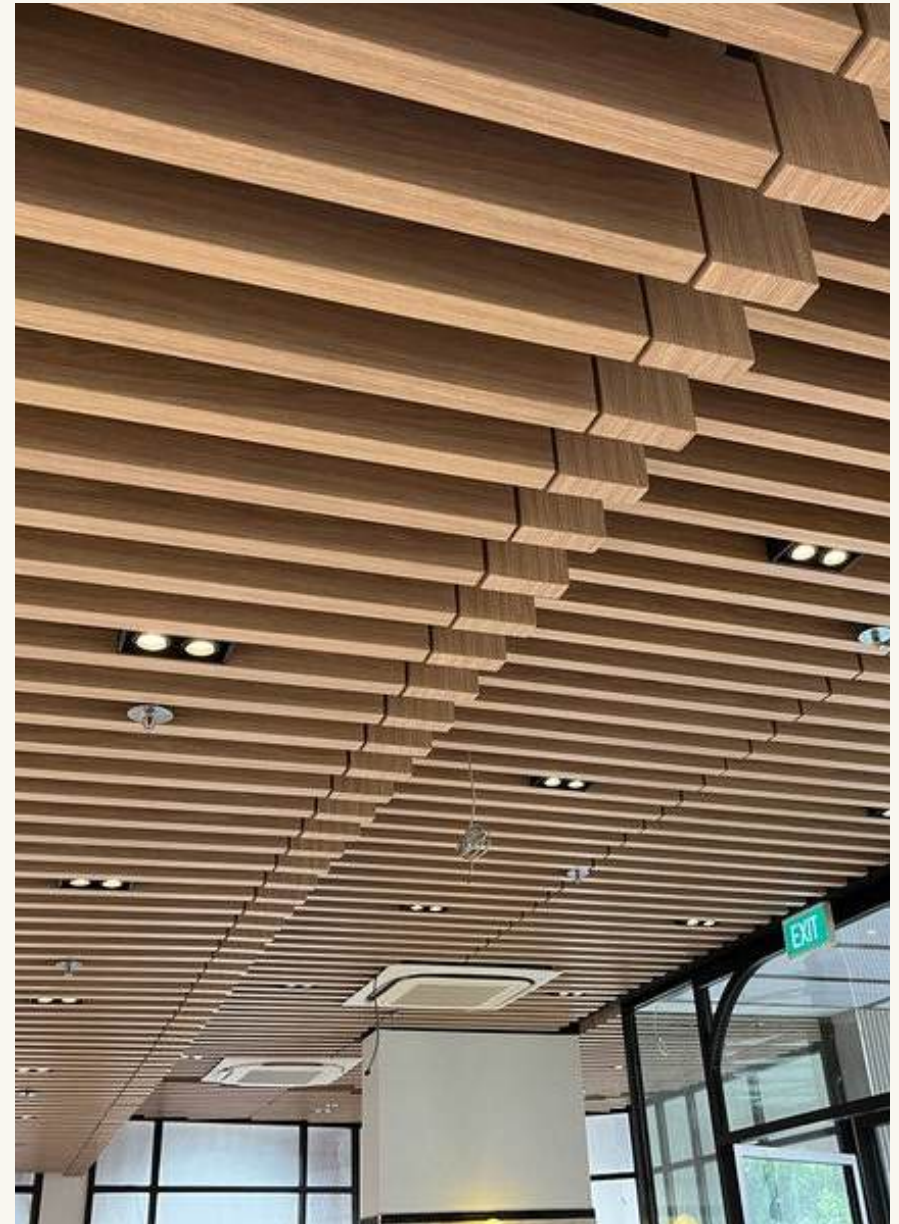

# Vision

To be the leading architectural solutions provider in Singapore, redefining how homes and buildings are designed by transforming ordinary spaces into extraordinary experiences through innovative, durable, and beautiful aluminium systems.

# Mission

- To deliver premium aluminium ceilings and architectural products that blend aesthetics, performance, and longevity.
- To innovate continuously, offering design-forward solutions that elevate the value and experience of every space we touch.
- To uphold the highest standards of craftsmanship, service, and reliability for homeowners, builders, designers, and developers.
- To collaborate closely with our partners and clients, ensuring every project reflects excellence, precision, and purpose.
- To support sustainable building practices with materials that are long-lasting, low-maintenance, and environmentally responsible.

# Awards & Credentials

At A.C. Metal Group, our dedication to excellence is reflected not just in our products — but in the recognition we've earned through decades of consistent quality, innovation, and service. These achievements affirm our commitment to being a trusted leader in the architectural solutions industry.

Being part of the Prestige 100 places us among Singapore's most distinguished and reputable companies.

This recognition honours businesses that demonstrate strong performance, credibility, and long-term commitment to excellence. For us, it is a testament to the trust our clients and partners have in our brand.

This award celebrates our unwavering commitment to delivering outstanding workmanship and exceptional customer service.

From homeowners to builders and developers, our clients choose us for our reliability, precision, and ability to consistently exceed expectations.

Our bizSAFE Level 3 certification reflects our dedication to workplace health and safety. We have implemented comprehensive risk management practices and strong safety protocols across all operations, ensuring a secure environment for our team, partners, and clients. Safety is not just a requirement — it is a core part of our culture.

# Our Services

## METAL CEILING FABRICATION

We fabricate many different types of metal ceilings like strip ceiling, baffle ceiling, expanded mesh ceiling, fluted wall/ceiling, clip-in tile ceiling, lay-on tile ceiling and hook & lay ceiling.

## METAL BENDING & CUTTING

We are able to bend and cut different aluminium thickness with our own special machinery. Hence, we are able to customize to clients' requirements accordingly.

## METAL WELDING

We provide welding services for aluminium and steel.

## METAL HOLE PUNCHING

We punch sheet metal with a cutting process in which material is removed from a piece of sheet metal by applying a great shearing force.

## SUN LOUVER SYSTEM

Our own unique sun louver system consists of just 2 components: roll formed panels and stringers. Our system is very secure and customizable.

## FACADE CLADDING

We are also able to customize facade wall cladding according to the specifications.
